

## COMPLIANCE CHECK LIST

Prior to any work being performed the following must be in place.

- ☐ Cabin owner has received written permission from the Resort for the work being performed
- ☐ The Contractor Permission form has been returned signed by the contractor and cabin owner
- ☐ The contractor's license, bond and insurance are accompanying the Contractor Permission form
- ☐ If owner is hiring non-licensed persons owner has provided the Resort with proof of a current workman's compensation insurance and professional liability insurance to cover the work and any subsequent injury or damage.

No work will be allowed until the above conditions have been met.
